

Engagement Surveys

Gather one-off or year round feedback on staff engagement levels at your organisation.

Engagement surveys:

- Rate your performance as an employer
- Will support your strategy - we will work with you to understand what you'd like to achieve
- Provide a basis for action planning and results can be communicated to the whole organisation
- Identify successes and drive positive change

Our solution:

Online survey sent directly to staff work, or personal emails

Tailored, easy to use reporting options to display benchmarking and previous data

Identify improvement areas and drive engagement

Customisable approach, survey, promotion and reporting to meet your needs

Fully managed process so all staff communications can go directly through us

Flexible pricing; all-inclusive packages with no hidden costs and discounts for multi-year sign ups

Why work with us?

The Picker Institute is an international charity working across health and social care. Our work is:

- **Conducted by experienced staff** who are experts in staff engagement, market research and online surveys.
- **Completed to the highest quality,** with regular checks to ensure accuracy. We are ISO27001 accredited.
- **Handled by a dedicated project manager,** available to guide you through the process and answer any questions.
- **Approached in a collaborative and flexible manner,** ensuring a useful and clear end product.
